New Synchronized Skating Camp - Currently there are 4 signed up.

Coaches contract with BFSC - Coaches are hired by the park and rec. Suggestion to have the coaches sign a commitment that they are exclusively BFSC coaches. No action was taken on developing a form for such commitment.

Requirements for Solos - Suggestion to limit the number of solos in the show to five. Would like to see skaters try out for solos and not limiting it to freestyle only skaters. Also, it was suggested that the soloists sign a commitment similar to what is required of Synchro skaters.
